, Engineer:

**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the beneficial use. The State retains the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0004 cubic feet per second.

Actual construction work shall begin on or before October 17, 1953

Proof of commencement of work shall be filed before November 17, 1953

Work must be prosecuted with reasonable diligence and be completed on or before October 17, 1954

Proof of completion of work shall be filed before November 17, 1954

Application of water to beneficial use shall be made on or before

October 17, 1954. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 17, 1954

DEC 2 1952
